

"You are The Arcane Magician! Magick is not just something you believe in—it's something you do. You are a powerful creator, using knowledge, rituals, and intention to shape your reality. You see spirituality as a tool for self-mastery, and you embrace both the light and shadow aspects of magick. You are drawn to structured spiritual practices like astrology, tarot, spellcraft, and sigils, knowing that when energy is directed properly, it produces tangible results."
