

"You are The Playful Mystic! For you, magick is a game—a thrilling, endless journey of discovery and experimentation. You're not afraid to test out different spiritual practices, mixing elements from multiple traditions. Whether it's dreamwork, ritual magick, chaos magick, or astrology, you're here to explore, innovate, and create new possibilities. You don't take spirituality too seriously, but you do believe in its power when you see results!"
